BABY IS COMING, BABY IS GROWING

What? A new baby is born?

Yup.

But not what you might think of right now...

Yes, we're still happily married and all is well and sound, BUT...

Actually, I'm speaking of my new Web site I'm currently building and growing and planting new seeds--you get the idea...

It is going to be a blast, this is for sure. This new baby will become THAT huge, THAT incredible I always dreamed of--ever since I started with STG three years ago. (What a loooong time, man!)

It will cover EACH and EVERY city of Germany, ALL major and minor places and spots you ever need to know more about or want to dig into...

And you're going to remember its domain name VERY easily and VERY well. It is so sharp, so easy to remember; incredible.

And it makes so much sense...

In other words, it is about to become THE portal, THE source for your travel to and through Germany, THE source for your time in this wonderful country, however long that time might be...

Are you excited?

I AM!

Now you wanna know the URL, the domain name to explore it, don't ya? Well...

I'm going to give you the domain name soon, just not yet. Bear with me just a bit and you'll get the chance to explore this new, wonderful, vast island of info about the country you (and I) are so interested in.

Why not now?

Well, there are still a couple of refinements and improvements to do until I feel it's ready to announce it to you, Dear Reader.

WANT TO WIN \$100, TODAY?

.
. .
.

What?

You really would like to know that name? Can't wait?

OK, OK... you got me...

Here's what you can do in order to get that name.

Go to...

<http://www.smart-travel-germany.com/>

Browse through the site. There is ONE, only ONE live link to my new blue baby. (Oops! Now I revealed its color, geez...)

Again, only on one page is the link, but it's a popular page. (No, NOT the home page... ;-)

Once you are on that page the link is fairly easy to find. (Should appear to you instantly.)

And to sweeten your time a bit, for the FIRST FIVE who found the link I'm going to throw \$100 into the basket; cash!

Yup, you read that right.

\$40 for the person who finds the link first
\$30 for the person who is second
\$20 for the third, and
\$10 for the fourth

100 US Dollar, just for finding my new, blue baby... isn't that sweet? :-)

Disclaimer: you need to find the new site via that link on [smart-travel-germany.com](http://www.smart-travel-germany.com), no other channel.

Once you found it you simply click on that link.

Then you send me a message either by replying to this e-mail, or via the contact form on either site, indicating the page you found the link and the text that surrounds the link.

That's it!

Pretty easy, huh? BUT...

You need to act NOW!

Hundreds if not thousands of people see this "offer" now, so the \$100 price certainly will go out f-a-s-t, if not within a few minutes from NOW!

If necessary, ask your friend, your family, or your associate to help you find this link.

CHRISTMAS TIME IS APPROACHING

Oh well, it's that time already...

Snow is falling down... glittery lights all over the place... smiling people happily awaiting the precious moments that are so close... kids expecting to finally receive THE present they so long dreamed of...

Can you feel it? Isn't that time so special?

I simply love Christmas time, especially if it's snow white. Doesn't happen to be white every year, but

depending on the area you're at, you either have no snow at all, just a little bit, or a whole bunch of it.

Either way...

In case you plan a trip to Germany during Christmas time why not go ahead and reserve your seats NOW! Both airplane AND hotel (and other things you'd like to enjoy during your stay in Germany.)

Use the *smart* Hotel Search Germany on my site in order to find the hotel of your dreams (including attractive prices, of course!)...

<http://www.smart-travel-germany.com/hotel-search-germany.html>

Check ticketsfor99.com for availability of 99 EUR air tickets...

<http://www.ticketsfor99.com>

And make sure to explore the countless and very special Christmas Markets that are in almost all German cities and towns. Often even small villages run their own tiny yet special Christmas Market!

HOW'S WEATHER IN GERMANY IN WINTER TIME?

As with most times, and as I mentioned earlier, it depends. It's always a bit different.

As for temperatures, degrees can go down till -15°C (5°F), though often it's around the freezing point of 0°C (32°F).

As for snow, hill and mountainous areas are more likely to have snow than huge cities. BUT, as always, it depends.

We've often experienced snow throughout entire Germany, too!

In either case, pack in thick, warm clothes since it will be cold anyway. ;-)

QUESTION & ANSWER

Here is a question submitted through...

<http://www.smart-travel-germany.com/ask-marcus.html>

"Hi Marcus, how long does it take by train from Frankfurt to Munich, which is the fastest way, I mean by train. Thanks."

Dear visitor,

Frankfurt to Munich takes about 3.5 hours only, with the high-speed train ICE; 20 minutes less if you start at Frankfurt Main Station instead of the airport.

At the airport, follow the plates for "Fernbahnhof."

The way goes up, not down. The downstairs take you to the regional trains rather than long distance trains. To those you need to go up.

Keep that in mind and you shall find the station fairly quickly. Bottom line is that the two stations are perfectly annexed to the airport. :-)

INSANE BOY REPORT

Women love to talk, right? Especially on the phone...

Now, 131 years ago, Alexander Graham Bell invented the first telephone.

I'm wondering what women did do before that day...

Until next time!

P.S. Wanna be part of the \$100 contest? Then go ahead and search that link to my new, blue baby site...
